Cardholder Signature: _____

Date: _____

Security and storage

- Cheshire's Creations will be processing your payments by entering your credit card details through the website www.stampsandcraft.com.au. The secure shopping system incorporates industry standard SSL 3.0 data encryption at 128 bit using the internationally trusted Comodo certificates. The secure server that performs the processing of the payment is protected by the latest in hardware firewall technology. This ensures your private information is kept private throughout the payment process.
- Cheshire's Creations places a great importance on the security of all information associated with our customers, clients and contractors. We have security measures in place to attempt to protect against the loss, misuse and alteration of personal information under our control.
- Personal information is de-identified or destroyed securely when no longer required by us.
- Cheshire's Creations retains the information you provide to us including possibly your contact and credit card details to enable us to verify transactions and customer details and to retain adequate records for legal and accounting purposes.
- Information stored within our computer systems can only be accessed by those entrusted with authority and computer network password sanctions.
- Cheshire's Creations makes every effort to ensure the security of your personal details on its systems.
